

**Quality Control Laboratory Technician – HPLC (m/f/d) – limited contract for 12 months**

As a QC Lab Technician, you will play a crucial role in meticulously analysing vitamins and carotenoids within feed and premix samples, utilizing cutting-edge HPLC and LC-MS/MS methods in our state-of-the-art laboratory facilities. Previous experience in an analytical lab setting is desirable, and your expertise in chromatographic methods will be a valuable asset to our dynamic team.

At dsm-firmenich, being a force for good is not optional. Diversity, Equity & Inclusion is a shared responsibility woven into our daily work, benefiting to our People, Customers & Communities and driving business value. Equal access to opportunities is a given, belonging is a shared feeling, authenticity is celebrated.

**Your key responsibilities**

- Preparation of samples and performing analysis of vitamins and carotenoids in premixes and feed using HPLC and LC-MS/MS techniques
- Preparation of standards, mobile phases, reagents
- Data analysis, evaluation, and documentation of the results (according to ISO 9001)
- Samples logistic (receipt, registration in LIMS, forwarding samples to external partners)
- Maintenance of laboratory equipment
- Procurement of chemicals and consumables

**We bring**

- A space to grow by encouraging and supporting curiosity and an open mindset
- A culture that prioritizes safety and well-being, both physically and mentally
- The opportunity to work for a company where sustainability is much more than a claim and is core to our strategy and purpose
- A flexible work environment that empowers people to take accountability for their work and own the outcome
- An eagerness to be one team and learn from each other to bring progress to life and create a better future;
- Attractive benefits such as optional Klimaticket for whole Austria (after 6 months of employment), supported canteen, accident insurance for work and private incidents, free drinks, etc.
- We offer you an income based on your qualifications and market conditions, with a minimum annual gross salary of €38.000 on fulltime basis.
- Your place of work: location
- Type of employment: Full time 38,5 hours / week, temporary contract for 12 months

## You bring

- Scientific education with experience in the laboratory (HTL or BSc)
- Experience in lab work, experience with chromatographic methods HPLC, LC-MS/MS would be a plus
- Experience with analysis of food and feed is of advantage
- Good computer skills including Lab IT (e.g. LIMS)
- Precise and organized way of working
- Good English skills mandatory, German would be of advantage

## Our application process
